

Thomas Pfeil

Member of the Supervisory Board, Telefónica Deutschland Holding AG
Chairman of the Works Council at the Munich office, Telefonica GmbH & Co. OHG

Thomas Pfeil is member of Supervisory Board at Telefonica Deutschland Holding AG as an employee representative and member of the Audit Committee since 2013.

Since 2015, he is a full time member of the Works Council at the Munich office of Telefonica GmbH & Co. OHG and Chairman since November 2018.

As trained telecommunications technician he joined Telefónica (then VIAG INTERKOM GmbH & Co.). He worked in various areas (technology and construction).

Thomas graduated next to his job as an Industrial Master (*Industriemeister*, Electrical, area of Communications Engineering) and completed his training as a Technical Operator (*Technischer Betriebswirt*, IHK) in the year 2000.

He became member of the Works Council in 2000 and was responsible for the network in the field of service quality as service manager. He was responsible for improving the voice quality in the position above mentioned.

As coordinator within the quality department he was later responsible for the nationwide measurements. This included the rollout of new measurement systems and measurement methods. From 2010 to 2014, he was appointed member of the Central Works Council and a member of the Group Works Council of Telefonica GmbH & Co. OHG, since 2012 he was Deputy Chairman.

He is an honorary member of the Autoclub Europa (ACE) and the local ice hockey association.

Thomas Pfeil was born in 1966 in Burgau (Swabia) and he has two children.
