Disclaimer

This document contains statements that constitute forward-looking statements and expectations about Telefónica Deutschland Holding AG (in the following "the Company" or "Telefónica Deutschland") that reflect the current views and assumptions of Telefónica Deutschland’s management with respect to future events, including financial projections and estimates and their underlying assumptions, statements regarding plans, objectives and expectations which may refer, among others, to the intent, belief or current prospects of the customer base, estimates regarding, among others, future growth in the different business lines and the global business, market share, financial results and other aspects of the activity and situation relating to the Company. Forward-looking statements are based on current plans, estimates and projections. The forward-looking statements in this document can be identified, in some instances, by the use of words such as "expects", "anticipates", "intends", "believes", and similar language or the negative thereof or by forward-looking nature of discussions of strategy, plans or intentions. Such forward-looking statements, by their nature, are not guarantees of future performance and are subject to risks and uncertainties, most of which are difficult to predict and generally beyond Telefónica Deutschland’s control, and other important factors that could cause actual developments or results to materially differ from those expressed in or implied by the Company’s forward-looking statements. These risks and uncertainties include those discussed or identified in fuller disclosure documents filed by Telefónica Deutschland with the relevant Securities Markets Regulators, and in particular, with the German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht – BaFin). The Company offers no assurance that its expectations or targets will be achieved. Analysts and investors, and any other person or entity that may need to take decisions, or prepare or release opinions about the shares / securities issued by the Company, are cautioned not to place undue reliance on those forward-looking statements, which speak only as of the date of this document. Past performance cannot be relied upon as a guide to future performance. Except as required by applicable law, Telefónica Deutschland undertakes no obligation to revise these forward-looking statements to reflect events and circumstances after the date of this presentation, including, without limitation, changes in Telefónica Deutschland’s business or strategy or to reflect the occurrence of unanticipated events. The financial information and opinions contained in this document are unaudited and are subject to change without notice. This document contains summarised information or information that has not been audited. In this sense, this information is subject to, and must be read in conjunction with, all other publicly available information, including if it is necessary, any fuller disclosure document published by Telefónica Deutschland. None of the Company, its subsidiaries or affiliates or by any of its officers, directors, employees, advisors, representatives or agents shall be liable whatsoever for any loss however arising, directly or indirectly, from any use of this document its content or otherwise arising in connection with this document. This document or any of the information contained herein do not constitute, form part of or shall be construed as an offer or invitation to purchase, subscribe, sell or exchange, nor a request for an offer of purchase, subscription, sale or exchange of shares / securities of the Company, or any advice or recommendation with respect to such shares / securities. This document or a part of it shall not form the basis of or relied upon in connection with any contract or commitment whatsoever. These written materials are especially not an offer of securities for sale or a solicitation of an offer to purchase securities in the United States, Canada, Australia, South Africa and Japan. Securities may not be offered or sold in the United States absent registration under the US Securities Act of 1933, as amended, or an exemption there from. No money, securities or other consideration from any person inside the United States being solicited and, if sent in response to the information contained in these written materials, will not be accepted.

</table>
| Fixed remuneration Cash | Creates sufficient economic independence to balance significance of other remuneration items | Base salary paid out in twelve equal monthly amounts | Financial KPIs:  
- Revenues: Measure growth  
- OIBDA: Reflects growth and progress in operating performance  
- Operating Cash Flow (OIBDA minus CapEx): Reflects generation of cash from our business operations  
- Free Cash Flow: Generation allows growth investments, dividend payments, and reduction of debt load  
- Return on Capital Employed (EBIT/Capital Employed): Measures the efficiency and profitability of our investments  
- Relative TSR: Measures the creation of shareholder value vs. competitors  
- Non-financial KPIs (ESG criteria): Relate to customer satisfaction & social/ecological factors (e.g. NPS, RepTrak Pulse, reduction of emissions, diversity) | **CEO**  
- Incl. ESG criteria since 2019  
- 31% fixed remuneration  
- 31% short-term variable remuneration  
- 38% long-term variable remuneration |
| Short-term variable remuneration Cash | Rewards achievement of pre-determined, quantifiable, economic-financial, operational and qualitative targets aligned with the company’s interests and the strategic plan | One-year cash bonus  
- Performance criteria:  
  - At least 70% selected KPIs of Telefónica Deutschland  
  - At most 30% business performance of Telefónica, S.A.  
  - Cap: 150% of target amount | **Ordinary Mgmt Board Member**  
- 43% fixed remuneration  
- 28% short-term variable remuneration  
- 29% long-term variable remuneration |
| **Long Term** |         |             |                |                  |
| Long-term variable remuneration Cash/Equity | Align incentives with the company’s interests and the strategic plan  
- Link remuneration to the creation of shareholder value and sustainable achievement of strategic targets | Performance Share Plans for Telefónica Deutschland and for Telefónica, S.A.  
- Three-year performance period  
- Selected KPIs  
- Target achievement: 0% up to a maximum value (cap) | **69% (CEO) and 57% (ordinary: Mgmt. Board member) of remuneration is at risk and tied to performance** |

---

→ Malus/Clawback: Partial or complete reduction or reclaim of the variable remuneration possible  
→ Total maximum remuneration: EUR 4.9 m for CEO; EUR 2.3 m for each ordinary Management Board member
Ambitious corporate climate strategy – net zero carbon emissions by 2025

**Renewable Energy**
100% green electricity

**5G Energy-efficiency**
5G is using 90% less energy per byte compared to 4G

**Data Centres**
Improved power efficiency

**Smart Meters**
Optimized energy consumption with help of digital meters

**Workplace**
Workplace sharing and virtual work to improve energy efficiency and reduce CO₂ emissions

Ambitious environmental targets

1.5°C aligned climate target
according to Science-Based-Target initiative for scope 1-3

Net zero carbon emissions by 2025
including our scope-1&2 and travel emissions

Reduction of unavoidable emissions
by >90% by 2030
emitted from our network, facilities and vehicle fleet, relative to 2019

• Thomas Pfeil                                                                                     |
Focus on net zero carbon emissions & principles of circular economy

Environment

Material topics
- Energy and CO₂
- Circular Economy
- Product and Service Experience
- Digital Sustainability Innovations
- Network Quality and Coverage

Mission
TEF D will offer its customers the 'greenest' network

Goal
Net zero carbon emissions by 2025 focusing especially on energy efficiency

Our Progress
Energy intensity reduced by 71% (compared to 2015)

Strategic Approach
- Established environmental management systems (ISO 14001, ISO 50001)
- Part of the business ambition for 1.5°C action alliance
- Business case: increasing energy efficiency in operating business activities (OPEX) has led to savings of EUR 54m since 2016
- Long-term strategy (2030): Savings by additional energy efficiency rising over the years, up to EUR 10m in 2030

Strategic Objectives 2025
- Net zero carbon emissions by 2025: Focus on energy efficiency, self generation & purchase of renewables
- Aligning more and more aspects of our business, especially our products, with principles of the circular economy
Social dimension - shaping a responsible digitalisation for society

**Mission**
TEF D strives for a human centric digitalisation

**Goal**
Stabilisation of NPS, eNPS & RepTrak

**Our Progress**
All strategic goals well achieved

---

**Material topics**
- Human Capital Management
- Digital Skills
- Digital Inclusion
- Product and Service Experience
- Digital Sustainability Innovations
- Network Quality and Coverage

---

**Strategic Approach**
- Shaping responsible digitalisation for people – our employees, our customers and society. Especially in this pandemic situation this approach has gained even more importance

**Strategic Objectives 2025**
- As an attractive employer, we want to drive the digital working world of tomorrow
- Human Capital Management: We are focusing on the work environment and future employability
- We enable participation in the digitalised world by providing people access and skills
- We support sustainable lifestyles with our products
Effective COVID-19 response supporting all stakeholders

**Customers**
- Reliable networks
- O₂ churn at historic low levels
- Additional entertainment & mobile data provided at no extra cost

**Employees**
- Protecting health & safety of employees
- Employees working remotely (home-office)
- Introduction of ‘5 Bold Moves’
- Corporate Health Award 2020 for innovative pandemic management

**Society**
- TEF D supports Robert Koch Institute with mobility analyses in fight against Covid-19
- Provided our technologically advanced buildings for public use (e.g. O₂ Tower)
- Digital Care Package for Senior Citizens
- Laptops, Internet-access and trainings in cooperation with Amazon, ‘Deutsches Kinderhilfswerk’ for underprivileged children

Management is continuously monitoring & analysing the impact on the company from Covid-19 restrictions & developments

Regular updates on our COVID-19 response are published on TEF D’s webpage

Telefónica Deutschland
Driving innovations - preparing Telefónica Deutschland & society for the future

**5 BOLD MOVES**

- Working **Anywhere**
- Working **Anytime**
- Outcome-based **Leadership**
- Digital by Default
- 70% Less **Travel**
